Civil Action No.: 3:12-CV-2034-G

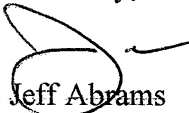

**CASE SETTLED**

Dear Curtis:

Congratulations on settling the above-referenced case! It is a testament to the legal process whenever able counsel shepherd a dispute through litigation to settlement. I enjoyed the opportunity to work with you and your client. I was impressed with your willingness to fully engage with the process and I am grateful for the trust you placed in me. You played your hand well in the negotiations.

It would be a pleasure to work with you on another matter. Perhaps it is that troubling case, that annoying opposing counsel, that obstinate client, or a myriad of other reasons why the timing is right for another mediation. *Carpe diem!* Please do not hesitate to call if we can assist in mediating another case or work on a continuing education program.
