I hereby expressly *object* and give notice that I fully disagree with SuperMedia's proposed changes to my retiree benefits, as those changes are outlined and discussed in the June 26, 2012 dated packet of information SuperMedia Inc. sent to me. The basis for my position has been amply expressed in numerous court filings submitted in the lawsuit filed in the Dallas federal court, now awaiting decisions by Senior Judge A. Joe Fish. I hereby adopt and agree with all of the claims and relief requested in the case of *Murphy, et al., v. Verizon Communications Inc., et al*, Civil Action No. 3:09-cv-02262-G (N.D. Texas, J. Fish).

I was surreptitiously and involuntarily transferred from Verizon's sponsored retiree benefit plans. I have never consented to being enrolled in Idearc/SuperMedia's sponsored retiree benefit plans. I expressly object to each and every negative detrimental change that has been proposed and announced by SuperMedia. SuperMedia has no right to amend, modify, revoke or terminate any of my retiree benefits. I submit this as a written claim for continued retiree benefits, and for all of the reasons stated and established in the legal arguments and supporting documentation submitted by attorneys for the Plaintiffs/Class Representatives in the pending *Murphy* lawsuit, I expressly demand that, immediately, I be transferred out of SuperMedia's retiree benefit plans and reinstated into Verizon's retiree benefit plans and restored all lost benefits.

2. I retired after 34 years from GTE Directories. The companies that followed the company I worked for should have no ability to alter or cease coverage promised to me.

Re: John L. Sullivan

Dear Ms. Ryan:

Mr. John L. Sullivan has requested that my office assist him with regard to his rights and remedies resulting from your company's unilateral change of certain of his retirement benefits as set forth in your letter to him of June 26, 2012.

That letter also includes certain other documents, including a document entitled "Frequently Asked Questions."

I note that one of the questions that is not included in this document is a question which I am requesting you kindly answer, namely, what is the legal basis on which SuperMedia is relying to attempt to unilaterally make these changes to Mr. Sullivan's retirement benefits? Specifically, please identify the legal grounds for this unilateral modification of the agreement.

I appreciate that your letter sets forth the economic reasons for attempting to make this change. However, it is my understanding that SuperMedia has a contractual obligation to continue to provide the same benefits Mr. Sullivan is currently receiving for the rest of his life.
