Re: SuperMedia, Inc., et al., v. Mentzer, et al., Civil Action No. 3:12-CV-2034-G

Dear Ms. Piwoni:

This letter confirms Plaintiffs' receipt of the Court's Order, dated October 15, 2013, and provides a brief update on the status of settlement. Pursuant to the mediated settlement on October 11, 2013 (which is subject to the approval of the Board of Directors of SuperMedia, Inc.) and the Court's Order, the parties are working to obtain approval of the Board of Directors of Plaintiffs and to prepare all necessary documents for notification to class members and proposed class certification. The parties intend to move for the Court's preliminary approval of the Stipulation and Settlement Agreement, including approval of notice to the putative class members, by the Court's December 16, 2013 deadline. This letter also confirms Plaintiffs' understanding that all outstanding motions and deadlines are stayed pending the Court's consideration of the settlement, and that Plaintiffs have no duty to respond to Defendants' Motion for Summary Judgment (Doc. No. 108) and that no ruling shall be issued on the Motion, pursuant to the settlement and agreement of the parties.

Please do not hesitate to contact us should you have any questions.

Very truly yours,
