

Bargaining Report ☞ August 24, 2015

The Bargaining Committee continued to work on our comprehensive proposal for the Common Issues table. We expect to meet with the company tomorrow. There were no meetings at any table with the company today.

Our retirees picketed Freehold today. Active members continue daily informational pickets at work locations prior to their shift and lunchtime. Thanks for all the hard work, your bargaining team appreciates the support. It makes a difference and definitely is being noticed. Stay in contact with your stewards and Chief Stewards.

A rally will be held at 5:30pm on August 26 in front of the Livingston DRC, 290 W Mt Pleasant Av (Rt 10 entrance). Come out after work and support the efforts to get the fair contract you have worked hard for and deserve.

We work hard each and every day for our customers. Sometimes against all odds, we make the impossible possible. We have sacrificed raises to keep benefits and contractual language. We give up time with our families to work the overtime whenever it is needed to meet customer commitments. We want what is fair, we want what we have earned. We all need to fight for what we have. This is everyone's contract Active and Retirees. Thank you to all for all that you are doing.

Continue to care for our customers with the same dedication and craftsmanship that is the foundation of Union labor. We are one day stronger than we have to be.

Your Bargaining Committee reminds you...Work Safe-Be Strong- Stay United
